Dear FOIA Officer,

Pursuant to 5 U.S.C. §552 and on behalf of the Martin County Concerned Citizens, Inc., I submit this request for an inventory of all Class V underground injections in the state of Kentucky. I ask that the inventory include the injection location, what is permitted to be injected there, and any permit numbers associated with each injection site.

FOIA directs EPA to make a "determination" on any request within twenty (20) working days of receipt. 5 U.S.C. §552(a)(6)(A)(i). Completed reports and studies and factual information are not exempt and must be released. FOIA also requires the release of all reasonably segregable portions of any documents that themselves are not exempt. 5 U.S.C. §552(b). Should our requests be denied, we request that you inform us of the grounds for denial and the specific administrative appeal rights available. *See* 5 U.S.C. 552(a)(6)(A)(i).

Please contact me if you have any questions regarding this request. Thank you for your time and consideration.

Sincerely,

Mary Varson Cromer
